Hay Meadow Flowage, Chippewa Falls, WI Sept. 10-12. Midwest Trail Gaiter members Mike & Lori Scott, Brian & Tammy Jensen, Roger Swanson & Ruth Thompson, Mike & Cary Capelle (friends of Roger & Ruth) Gail Season, Ted & Sharon Bailey and Peggy & Bill Butler and hosts Mike and Jeanne Fox had a wonderful weekend riding the trails in the Chippewa County Forest. No one had to don a raincoat nor mosquito repellent - so Ted's wish came true - no mosquitoes.

Saturday the annual poker fun run was held with all participants finding the "secret camo buckets". Winners included Cary Capelle, Ted Bailey and Ruth Thompson.

Thanks to everyone who participated in the poker run and made donations toward the trail maintenance in the Chippewa County Forest. We appreciate your support very much. We have plans to add more trails in the future and make some improvements to the parking areas.
