Yellow River MWTG's weekend was a success. Mike & Laurie Scott and Mary Ann, Dave & Kathie Bleskey, Karla Hurd, Lynn Holland, Gina Barden, Gail Seator and I, Joan Bartz, camped for the weekend. June Ross came with a friend and rode on Saturday with us. I think everyone agreed that the weather was ideal, day and night, for camping including an almost full moon.

We had a very good potluck and campfire. Thanks to Dave for bringing his "tool" and taking over for Ted Bailey, who is greatly missed. And once again, Mike Scott made the photo shoot and stated that he will never change a tire in the daylight again. But from the picture you can see that Dave was the one taking the tire off.

Sunday, Gina, Karla, Lynn and I headed to Prairie du Chien and rode LaRiviere horse trails. Thanks again to those who attended.
